1. PERFORMANCE WORK STATEMENT

The contract will be for a one-year period from the date of the contract award, with **four** one-year options.

1.1 The contractor shall provide taxi services for U.S. Embassy Vilnius employees on official business in the geographic area of Vilnius. Employees with an Embassy issued cell phone are authorized users and the taxi company will receive a list of all authorized cell phones. The contractor will use this list to establish a business account for the Embassy and ensure that cell phone numbers are recognized by the contractor. The contractor shall respond to issues regarding problem phone numbers within two days. This list must be updated periodically to ensure coverage for newly arriving employees. Under no circumstances is the contractor allowed to provide services under the Embassy business unless it is requested from an authorized number provided by the Embassy. Service requestors are only authorized to order service within the boundaries established in this contract.

1.2 Contract Project Manager

The contractor shall designate a Project Manager who will be the point of contact. The Project Manager shall be responsible for managing the contract holder's work under this agreement, including delegating requests to drivers with any instruction required and ensuring a smooth and effective operation. The contract holder's Project Manager and telephone number are:

Name:

Title:

Email:

Phone:

1.3 Usage Procedures

The authorized requestor (the caller), will provide full information of the time and location where the vehicle must be. The vendor shall provide approximate arrival time of the taxi if the request is not for a pre-scheduled pick-up. The system must send period updates to the caller via text message as to when the taxi will arrive with car and driver information. After the service has been provided, the driver shall give the customer a receipt which states date/time and amount of the service. The receipt will be used to confirm monthly billing. The contractor will provide the Embassy **an invoice along with the detailed breakdown of each trip** at the end of each month for the trips taken during that period. The vendor must also have an app available on smart phones.

1.4 Personnel

The contractor shall provide qualified drivers for work to be performed under this contract. Drivers employed to perform services shall be experienced and competent in the performance of such services and shall possess the appropriate license and insurance. All personnel assigned for the performance of the respective services shall be regular employees of the contractor.

1.5 Local Knowledge & Liability

Be completely familiar with the metropolitan Vilnius area so as to know alternate routes should primary routes be impassable or otherwise not the best alternative at any given time.

The contractor assumes absolute responsibility and liability for any and all personal injuries or death and/or property damage or losses suffered due to negligence of the contractor's personnel in the performance of the services required under this agreement. The contractor shall provide safe and good condition vehicles which will be used to perform this contract.

1.6 Insurance

The contractor, at its own expense, shall provide and maintain insurance during the entire period of performance of this Agreement, whatever insurance is legally necessary.

1.7 Compliance Required

The contractor shall, without additional expense to the Government, be responsible for complying with all laws, codes, ordinances, and regulations applicable to the performance of the work, including those of the host country, and with the lawful orders of any governmental authority having jurisdiction. Unless otherwise directed by the Government, the contractor shall comply with the more stringent of the requirements of such laws, regulations and orders. In the event of a conflict among the contract and such laws, regulations and orders, the contractor shall promptly advise the Government of the conflict and of the contractor's proposed course of action for resolution by the Government.

1.8 Contractor's vehicles

All vehicles, providing services under this contract, should not be older than 7 years and in good technical condition, preferably environmentally friendly such as hybrid vehicles and/or electric vehicles

QUALITY ASSURANCE AND SURVEILLANCE PLAN (QASP)

This plan provides an effective method to promote satisfactory contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor Contractor performance, advise the Contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. The Contractor, not the Government, is responsible for management and quality control to meet the terms of the contract. The role of the Government is to monitor quality to ensure that contract standards are achieved.

Performance Objective	Scope of Work Paragraphs	Performance Threshold
<u>Services.</u> Performs all taxi services set forth in the scope of work.	_ 1.1 _ thru _ 1.8 _	All required services are performed and no more than one (3) customer complaint is received per month.

MINIMUM AND MAXIMUM AMOUNTS

During this contract period, the Government shall place orders totaling a minimum of **20 taxi requests**. This reflects the contract minimum for this period of performance. The amount of all orders shall not exceed **1,000 trips**. This reflects the contract maximum for this period of performance.”

II. PRICING

See Attachment #1. Please fill in prices without VAT **only** in D column of the Attachment #1.

III. VALUE ADDED TAX

VALUE ADDED TAX. Value Added Tax (VAT) is not included in the CLIN rates. Instead, it will be priced as a separate Line Item in the contract and on Invoices. Local law dictates the portion of the contract price that is subject to VAT; this percentage is multiplied only against that portion. It is reflected for each performance period.

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
